le incaving to the will her to a interior and contribution. One is the like the consecutation that he has note the fully of fusting horself upon the convention be described by a superior full logarity to his expectately party as their distribution over the full described by the convention be described by a compact of a

pendelle for effecting that features irrowing possibly strother factional troubles that may survive another two years, by which he may be hit upon as the most accordance. In the first of those I years were the some planethilly, but none at all in the feet. Blane wants to be president, of course. If he is a first strong possibly of cities and some who de nich has an evo to this possibility. But I flare is each distington and some who de nich has an evo to this possibility. But I flare is each distington in the feet of the regulation of the category of the control of the first of the control of the category of the category of the control of the category of the category of the control of the category Pendl to a man' Does he mean that after we dimerrate down the other safe we are not begat the offices of the of nomination for the presidency to that the sty otherset who ever had power. It is the com-believes, that victory, may be achieved in 1882 senting as a cardidate for the presidency or presenting as a sequence of the whole country. The is publican party beginner so long. Activities the confidence of the whole country. The question turns upon republican unity. The question turns upon republican unity appeal obtaining speils has been the main There must be an end of faction. No man negative to democratic effort. It is found, who represents either faction, personally or through his friends can bope to unite the party, and such an ope would be almosf contain party turn its friends out of nower for a like party. seu such an ope would so man could com- party turn its friends out of power for a like nand a larger following on one side than Mr. made to the country. He says to his friends;
You must look eledwhere; I cannot less you victory this time select a man upon whom the whole party can unite and in whom the country has confidence and you will assuredly This phinly is Blaine's meaning; and it does him thatte credit as a set sible politician. Most men who want the presidency are as incapable of seeing any of the obstacles that make it impossible for them to get it as the shill who edges for the moon is

get it as the child who explose for the meson is unable to whit the toy cannot be put into his hard.

\*\*THENTICERAGUA CANAIL\*\*

Books have been open in San Francisco several weeks for subscriptions to the stocked the Nicaragua canal sampany. By members of the board of trade and others a good many shares have been taken, though the subscriptions are provisional only, the object being to set in tempor at the commercial world to world the undertaking. A bill is now pending in congress to guarantee same the pending of the armings of the call, to support it; and a valuable land grant and support it; and a valuable land grant and the contrage of the armings of the call, to support it; and a valuable land grant and the contrage of the armings of the call, to support it; and a valuable land grant and other franchises have been pledged by the government of Mouragos for the same object. It is asserted that these guarantees will govern to be a solid value among the securities of the world. Speaking of the project, the San Francisco Journel of Commerce says: "Contact the first substitute Pacific coast has apported during the sequent period of construction and the fact that the Pacific coast has apported during the perioding July 1st, 1882, 1,750."

Note that the chart has been subsequent to be formed to the project of the pro percentage of the sarnings of the caral, to support it; and a valuable land grant and uard, an estiman) of 4,000,000 tons per somma pairs (the maximum allowed by charjes), this if Bernard Burke, the great Eaglish authority on will interto 9 per sonal per annium not on the total capital stock of the company, while there is every probability that the capal will cost 25 were then before anybody had arename. So its every his in the field of 375,000, admitting every post-part, lead, of 375,000, admitting every post-part, lead, of 375,000, admitting every post-part, lead of the company of the second probability that the capal will cost 25 where is something, after all, which common folial company of the c ornment engineers' net estimate of \$41,000.

The Sanz' sanal paid last year 94 per cent dividends on a cost of \$98,000,000.

The sanch as howing the Nicaragua canal enght to be a successful andertaking. He cost will not be one-fourth at such as that of the projected.

There were cleared with flour and grain from Capacita during the year could glue so, left, tharfor my previous year. The whole number that charact was 530. A I but 12 of these versals will be une-fourth at such as that of the projected. net estimate of \$41,000,be one-fourth at much as that of the projected can mag, Ma under the

cangl at Darren—a scheme which, though nominally begub, is in fact to be regarded as visionary and lupracticab.

THE HAWAHAN TRANS.

Of the Hawitian recipiedty treaty [80] called) the NowStork Times says:

If the treaty hat been from the first time of the state of the common wealth.

of the Hawilian recipiestly treaty [20] a initiation of hearties of the commonwealth.

If the treaty has been from the first intile in retaining the interest of the result of the result of the result of the recipiest of the rec descriptions against other friendly significant which seems up the freights or superstrome the east to the freights or superstrom the east to that it has become a means of chormous and uncleaning extention upon the while action of the action of the superstrome. the whole people of this coast. The treaty indefinitely oblices notice is given at the cont of averen years that we desire to sum it. The man who lost the election hat now cuts the winner is though the letter had dedicated a bone of propriety of soving in the matter was agi.

A prime face was the accident a secure of beproprinty of knowing in the matter was an intated in congress hast winter. But spreakles

## BESIDES:

Free Rides on all Washington Street Cars! Free Rides on Stark Street Ferry Boat! Free Rides on Jefferson Street Ferry Boat! Free Rides on Sellwood Ferry Boat!

MELLIS BROS. & CO

## EXPLANATION:

Any one purchasing goods to the amount of TWO DOL-LARS will receive a numbered Ticket entitling the Bearer

IN THE PROMISING TOWN OF SELLWOOD. The price of these Lots will be increased from (\*) to 100 per cent, on the first of January, 1883.

Coupons will be attached to the Tickets which may be presented to any of the above Street Car or Ferry Jost Con panies in lieu of Fare.

Coupons-not detached from Tickets-may be cashed up to February 1, 1883, at 126 First St.

The Lots are situated in Block 36 on Tacoma Avanue. They were sought and paid for by us, and the Board of Officers, consisting of Messrs. H. L. Pittock, C. P. Church, T. A. Wood, F. O. McCown, N. O. Walden, F. C. Good in, guarantee

A CLEAR TITLE AND DEED FOR ANY OF THE ABOVE LOIS.

WE ARE RETURING

RETAIL BUSINESS I

Under no circumstances will we carry any of the Retail Stock into our new Wholesale Quarters, and have therefore made a sweeping reduction in every Department of the I onse.
